With equal measures of pluck and positivity, little orphan Annie charms everyone's hearts despite a next-to-nothing start in 1930s New York City. Annie is determined to find the parents who abandoned her years ago on the doorstep of an orphanage run by the cruel Miss Hannigan. Annie eventually foils Miss Hannigan's evil machinations, finding a new home and family in billionaire Oliver Warbucks, his personal secretary, Grace Farrell, and a lovable mutt named Sandy.

The goal is to rehearse and perform in-person, but if the cast needs to quarantine for any amount of time, we will hold virtual rehearsals during the quarantine time period. If we get to the performances and are not allowed to have an audience, we will record/live stream the show for the community.
